

## Brian Juke Joins Unity Telecom Team

*November 24, 2008*

Calgary, Alberta – Unity Telecom is pleased to announce that Brian Juke has been added to the Calgary roster. Brian joins the Calgary team as Business Development Manager, Western Canada, responsible for expanding our enterprise presence. Brian has a wealth of experience with Avaya Communications, plus over 30 years experience overall in the telecommunications field. Brian was formerly with Nortel for 8 years, and most recently Avaya's Director of Canadian Field Services, where he was directly accountable for all implementation and repair services. Over his career he has worked in many business areas including sales, project management, installation, repair, and customer service.

Brian is a welcome addition to the Unity team, further adding to our unequalled customer experience team. You can reach Brian on 403-476-1529 or by email [bjuke@unitytelecom.net](mailto:bjuke@unitytelecom.net)
