**Unity Telecom Named to Top 100 Solution Providers in Canada**

FOR IMMEDIATE RELEASE: May 14, 2008

TORONTO - Recently at The Canadian Dealer News Awards event, Unity Telecom was named to the Top 100 Solution Providers in Canada. Considering that it has been only three short years since Unity launched business operations, being named to CDN's Top 100 Solution Providers in Canada is an impressive accomplishment.

The company was originally located in Aurora, Ontario, with just four employees. Today, Unity comprises over 100 employees, with offices in Toronto, Newmarket, Montreal, Winnipeg, Calgary, Vancouver and Phoenix, Arizona.

Unity Telecom is a full service Communications Company, providing consulting, design, implementation and support for best of breed IP based business communication solutions. Unity has sales and technical certifications on the entire suite of solutions from Avaya, AVST, Captaris, Cisco, Panasonic, Spectralink and Voice Mobility Inc. They provide solutions for businesses of all sizes, from single site to companies with 100's of branches or stores across Canada.

When asked what he attributed their strong growth and success in such a short period, President Dave Sherry stated, "We focus on the business fundamentals, listen to our customers and understand their business challenges and strategic goals. Then we deliver a solution that aligns with these goals and will meet their future aspirations, all surrounded with best in class customer service."
